Clear

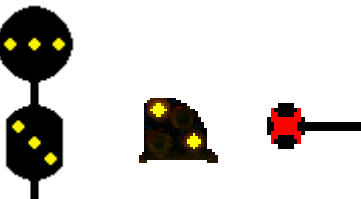

Proceed at normal speed up to 45 mph

Approach

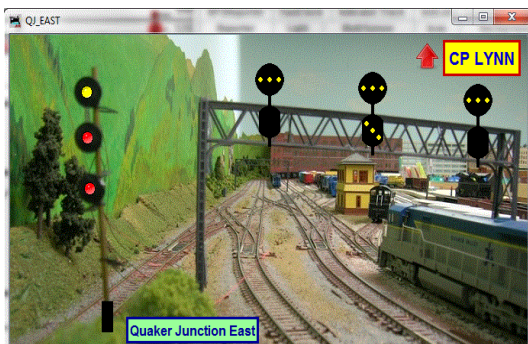

Proceed preparing to stop at next signal at medium speed 25 mph

Restricting

Proceed at restricted speed of 15 mph preparad to stop for other equipment

The three light mast at Quaker Junction indicates the route which is cleared. The upper head indicates the "0" track straight into the Lynnsburg station. The center head indicates the Conrail #1 track into the station. The lower head indicates the complete crossover into the Lynnsburg yard on Arrival/Departure track #1. The restricting signal on Conrail #2 track indicates a route into the yard.
